

Central Middle School Update
9-15-2017

1. Signs have been posted on eighth grade and gym doors to prevent entry. A padlock was added on the door entering eighth under canopy. Keys were distributed to Principal, VP, SRO, and Custodian for padlock.
2. ADA portable restrooms were installed by the softball field for events and PE
3. Several loads of desk and other items were transported from the eighth to Murfreesboro for storage.
4. Outdoor basketball goals will be installed.
5. A 10 X 16 building is being ordered for storage of PE equipment and the riding lawnmower. This building will take at least two weeks for delivery. This building has to be special ordered to meet NC Building Code requirements.
6. Window Awnings will be ordered and installed over the next couple of weeks to prevent water from splashing on carpet in the new trailers during rainstorms. Blinds have been ordered for lock-down purposes.
7. Heaters have been delivered for seventh grade wing. They will be installed in the very near future. Heat strips will be installed in the existing units.
8. Plans are underway for installation of aluminum bleachers in the old gym at GCHS. These bleachers will be used to replace existing.
9. Price quotes have been requested for a covered walk for students to travel between mobile classrooms and main building.
