

# Preschool Application

Dear Parents:

Attached is the North Carolina Pre-Kindergarten(*NC Pre-K*) Application.” This form is used to:

1. register for the Annual Preschool Screening that screens speech, language, hearing, vision, dental, health (shot record review, height, weight...) social-emotional skills, cognitive skills, and motor skills. **All** children age 3 or 4 **by August 31, 2018** are encouraged to register.
2. apply for preschool placement with the NC Pre-K Program. *Also note*
3. If the application is received prior to June 1, 2018, your child will be invited to attend the Gates County Preschool Screening, scheduled for June. Although attending the screening is not a requirement of the program, attending the screening may increase your child’s priority for placement if an educational or developmental need is identified.
4. Applications received by June 7, 2018 will be chosen first for the program. If any NC Pre-K slots are still available after all applications received by June 7<sup>th</sup> have been evaluated for eligibility, other applications will be considered. Eligible children whose applications are received after June 7, 2018 will be placed on a waiting list and the parent will be contacted if an NC Pre-K slot becomes available.

**The children that were screened previously as 3 year-old children should still be screened with the 4 year-old screening as different skills are assessed.**
