Dear Parents/Guardians,

It's yearbook time! Yearbooks for the 2021-2022 school year are on sale now. Yearbooks are \$25 each and can be purchased online by scanning the QR code or visiting the website below. Yearbook shipment dates are later this year due to Covid, so our yearbook will **not** be delivered before school is out for the summer. The current delivery time will be in July. Once we get a confirmed date, messages will be sent out about how and when to pick them up.
