**Income Information**

Please note that the income you report **needs to be exact**. Approximations of income will not allow for the calculations needed to determine your child's eligibility. **Please note that PROOF OF INCOME IS REQUIRED at the time of application. If proof of income is not provided your child's application will not be assessed for eligibility.** Examples of proof of income include: previous year's tax records if the information is reflective of your current income, consecutive paystubs (please provide a month's worth of paystubs if possible), a letter from an employer stating your monthly or yearly income, statements from DSS... NC Pre-K offers this guidance when calculating your income:

Count parent and stepparent's regular **GROSS** income. Regular *gross* income (before taxes) which may include income earned through sales commissions averaged over several months, regular employment through a temporary employment agency, child support, alimony payments, and workman's compensation. **Excluded from regular gross income** are parent, stepparent and child Supplemental Security Income, adoptive assistance, foster care payments, and irregular income (e.g., over-time, temporary unemployment pay, Work First, Food Stamps, student loans).

When calculating income convert weekly income to annual by multiplying weekly amount by 4.3 to obtain monthly amount and then multiply the monthly amount by 12 for the annual amount.

**PLEASE DO NOT LEAVE BLANK IF YOU WISH YOUR CHILD'S APPLICATION TO BE ASSESSED FOR ELIGIBILITY!**  
**Proof of income is required**
